Calling Former Students of Stevenson College to Celebrate 40th Anniversary

In 2010 Stevenson College Edinburgh will celebrate its 40th anniversary and we are interested in hearing from former students to join us in marking this occasion.

If you were a student at Stevenson over the past 40 years – and especially if you were a student in the 1970-71 academic year – we would love to hear from you. Please contact Stevenson directly with your name, when you studied at the College, the course you studied, where you live now and what you are doing. We will then get back in touch to let you know what's happening in 2010. Please e-mail Joe West, Marketing Officer, on joewest@stevenson.ac.uk with your details.
